

Nobody

This is all I wanted
This is all I wanted
But I can't hold it
I can't keep it
Fingers lose is
Can't retrieve it

This is all we wanted
This is all we wanted
But we can't hold it
We can't keep it
In the darkness
We will lose it

My future memory
I don't want you to leave
(Please let me keep you, I'll preserve and feed you, but you can't stay)
I don't want you to leave!
(Please let me keep you, I'll preserve and feed you, but you went away)

This is all you wanted
This is all yours (hoch!)

But we can't hold it
We can't keep it
In the darkness
We will lose it

We can't hold it
We can't feel...
